

NOTICIAS DE Escuela Oak Grove

Actualización Semanal #36 17 de junio de 2022

¡Feliz verano!

¡Hemos cumplido otro año escolar! Gracias por seguir compartiendo a sus hijos con nosotros. Ha sido, una vez más, un placer ver a los estudiantes aprender y crecer con el tiempo. Fue genial conocer algunas familias nuevas este año y continuar construyendo relaciones con familias que hemos conocido. Usted juega un papel tan importante en el trabajo que podemos hacer como escuela y espero con ansias lo que traerá el próximo año.

Les deseo a todos un maravilloso verano. Tómese este tiempo para reflexionar, rejuvenecer y disfrutar los momentos con sus hijos. Nos veremos pronto, cuando comencemos el próximo año escolar. Hasta entonces, no dude en comunicarse con la escuela por teléfono o enviarme un correo electrónico a mkaufmann@wsesdvt.org si tiene alguna pregunta. Tenga en cuenta que el horario de verano es limitado, por lo que es posible que la comunicación no sea inmediata, pero alguien le devolverá la llamada o el correo electrónico.

¡Que tengas un excelente verano! Sra. Kaufmann

¡Muchas gracias a nuestra familia de Oak Grove que ha donado tarjetas de regalo de Market 32 durante todo el año para compartir con las familias!

Premios Grovie de Oro

Timmy sostuvo su paraguas para un estudiante durante el servicio de autobús de la mañana y caminó junto a ese estudiante con él, para que no se mojaran. ¡Gracias Timmy por compartir tu paraguas! Reed le dio a un estudiante su fresas Felicitaciones a nuestros ganadores de Golden Grovie.

Reuniones de verano en el jardín

Reuniones de jardín de verano en la escuela Oak Grove

Miércoles por la mañana 9-11 am: 6/22, 7/6, 7/13, 7/20, 7/27, 8/10, 8/17, 8/24

Grupo FB de jardineros de la escuela Oak Grove :https://www.facebook.com/groups/318549149076676

Comuníquese con Tara Gordon: tgordon@wsesdvt.org con interés y para registrarse con anticipación. Drop-ins bienvenidos también.

El verano es un buen momento para familiarizarse mejor con los jardines escolares y ver lo que sus hijos han estado plantando y cultivando.

Venga a echar una mano en los jardines escolares y aprenda más sobre cómo cultivar una variedad de verduras y frutas cultivadas y jardinería con plantas nativas, plantas polinizadoras, malezas e incluso hongos. Sus hijos pueden darle sus propios recorridos especiales por el jardín mientras tenemos búsquedas del tesoro, merienda y hora del té, tiempo para compartir recetas y más.

River Gallery School

¿Está buscando una actividad divertida y creativa durante las vacaciones escolares de verano? River Gallery School of Art ofrece campamentos de arte para estudiantes de 6 a 12 años, de lunes a viernes de 9:00 a. m. a mediodía cada semana, del 5 de julio al 13 de agosto. Para obtener más información, visite<u>rivergalleryschool.org</u> or register at https://rivergalleryschool.asapconnected.com/#CourseID=265808. Las becas están disponibles.

FELICITACIONES A LA ESCUELA DE OAK GROVE CLASE DE 2022

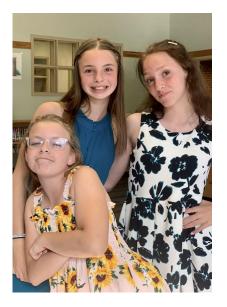

Diversión de fin de año

Covid Information for Summer 2022 WSESU

Covid Testing:

<u>Pharmacies</u> will have over the counter tests to purchase or to bill to insurance. <u>Doctor offices and urgent care clinics</u> can also provide testing.

Rescue Inc. provides vaccines and testing by way of a mobile unit. You can get that schedule on their website or by calling (see below).

From the Vermont Department of Health: Health Department testing sites will close June 25. Vermonters are encouraged to pick up free take-home tests from these sites to keep at home and use if needed. You can get up to four antigen test kits for each appointment, but only one LAMP (similar to PCR) per appointment.

Take-home antigen tests meet many testing needs and will continue to be widely available at pharmacies around the state and at online retailers. If the tests are covered by your health insurance, you may be able to show your insurance card at the pharmacy counter and get test kits at no cost to you. Some health plans may require you to pay for the tests and then be reimbursed. Make sure you have ordered all three rounds of at-home tests from covid.gov which are mailed directly to you.

Covid Vaccines and Boosters:

Ages 6 months-5 years: It is anticipated that the FDA will approve vaccines for this age group very soon, to be available at pediatrician offices as soon as June 21. Call your pediatrician office to make an appointment.

<u>Vaccines and boosters</u> continue to be available at doctor offices, pharmacies and through Rescue Inc. (see below).

<u>Vermont Department of Health</u> can help you find a vaccine site (see below). Anyone age 5 or older should get a booster at least five months after their second dose of Pfizer or Moderna, or two months after their Johnson & Johnson vaccine. If you are age 18 or older, your booster can be the vaccine type of your choice, no matter which vaccine you got originally. For ages 5 to 17 the booster must be Pfizer.

Certain people should also receive a second booster dose at least four months after their first booster:

People age 50 or older can receive a second booster of Pfizer or Moderna

For people who are immunocompromised, those age 12 and older can receive a second booster of Pfizer and those 18 and older can receive a second booster of Pfizer or Moderna.

People who received the Johnson & Johnson vaccine and Johnson & Johnson booster can receive a second booster of Pfizer or Moderna

If you get Covid-19:

Inform your medical provider or your child's pediatrician.

- Isolate at home for at least 5 days after the first day of symptoms or the day of testing positive (whichever came first).
- Isolation can last up to 10 days, if symptoms persist.
- You can come out of isolation after day 5 if your symptoms are improved and you haven't had a fever within 24 hours.
- Wear a mask in public indoors through the 10 days after Covid began, even if you have no symptoms.

Please report your self-test results (positive or negative) to the Health Department using this online form,

Vermont COVID-19 Self-Test

Result Reporting Form.

(https://survey.alchemer.com/s3/6507748/Vermont-COVID-19-Self-Test-Result-Reporting-Form)

Contact Information to Make Appointments and Get Information for Testing and Vaccines:

<u>Vermont Department of Health</u> <u>healthvermont.gov/covid-19</u>
Brattleboro Office 802-257-2880
Covid Hotline 802-863-7240 (select option B)

Rescue Inc. Covid phone 802-380-7057 rescueinc.org

For vaccines or testing on or before June 25, use the BMH "hut" site at 417 Canal St. in Brattleboro (behind House of Pizza), on Tuesday and Thursday 9am -1pm and Saturday 1pm-4pm.
